Experiment - 5

Student Name: Yash Goel

Branch: BE-CSE

Semester: 5th

Subject Name: Project Based Learning in Java

Subject Code: 23CSH-304

UID: 23BCS11498

Section/Group: KRG-2B

Date of Performance: 24/9/25

Aim: Create a menu-based Java application with the following options. 1. Add an Employee 2. Display All 3. Exit If option 1 is selected, the application should gather details of the employee like employee name, employee id, designation and salary and store it in a file. If option 2 is selected, the application should display all the employee details. If option 3 is selected the application should exit.

Objective: To combine object-oriented programming, file handling, and menu-driven console interaction.

Procedure:

1. Present a menu:
 - a) Add Employee
 - b) Display All
 - c) Exit
2. On choosing Add, take input for:
 - a) Employee Name
 - b) Employee ID
 - c) Designation
 - d) Salary
3. Write this data to a file.
4. On choosing Display, read and display all employee data from the file.
5. Exit on selection of option 3.

Sample Output -

Menu:

1. Add Employee
2. Display All
3. Exit

Enter choice: 1
Name: John
ID: 1001
Designation: Manager
Salary: 75000
Employee added successfully!

Enter choice: 2
Employee List:
John | 1001 | Manager | 75000

Code -

```
package intro_day1;
import java.io.*;
import java.util.*;

class Employee {
    private String name;
    private String id;
    private String designation;
    private double salary;

    public Employee(String name, String id, String designation, double salary) {
        this.name = name;
        this.id = id;
        this.designation = designation;
        this.salary = salary;
    }

    public String toFileString() {
        return name + "|" + id + "|" + designation + "|" + salary;
    }

    public static Employee fromFileString(String line) {
        String[] parts = line.split("\\|");
        return new Employee(parts[0], parts[1], parts[2], Double.parseDouble(parts[3]));
    }

    public String toString() {
        return name + " | " + id + " | " + designation + " | " + salary;
    }
}
```
